Liability Exclusion

In no event shall bizTOnet or its suppliers be liable for any consequential loss suffered or incurred by you or any third party arising from the use or inability to use this website or the materials on this website, even if bizTOnet or an authorized representative has been notified, orally or in writing, of the possibility of such damage.

We will use reasonable efforts to notify you of any such claim, action, or proceeding which is subject to this indemnification upon becoming aware of it.

Entire Agreement

These Terms of Service and any policies or operating rules posted by us on the website or concerning the website constitute the entire agreement and understanding between you and us. These Terms of Service operate to the fullest extent permissible by law. We may assign any or all of our rights and obligations to others at any time. We

shall not be responsible or liable for any loss, damage, delay, or failure to act caused by any cause beyond our reasonable control.

If any provision or part of a provision of these Terms of Service is determined to be unlawful, void, or unenforceable, that provision or part of the provision is deemed severable from these Terms of Service and does not affect the validity and enforceability of any remaining provisions. There is no joint venture, partnership, employment, or agency relationship created between you and us as a result of these Terms of Service or use of the website. You agree that these Terms of Service will not be construed against us by having drafted them. You hereby waive all defenses you may have based on the electronic form of these Terms of Service and the lack of signing by the parties hereto to execute these Terms of Service.
